
*Through acts of kindness and generosity, we can
come together and create a better world.*

Funding
of the
Future

It's no secret that Benton always finds ways to get things done. We're a community of great people who share their time, talents, and spirit of giving.

We invite you to join others who have that same spirit of giving – those individuals, businesses, and organizations who have generously contributed to the Benton Community Center building project, a project that will keep our town and surrounding townships moving forward.

**We're not only funding
the future . . .
We're shaping it!**

Ways You Can Gift: Purchase a Commissioned Mural of Your Family Farm or Ag Business.
Sponsor a Room or an Area in the Community Center. Become Part of the 100+
Extraordinary Women™ Campaign. Purchase a Personalized Brick Paver.
Make a Pledge or Donation Payable Over a 5-Year Period.

Commemorating Our Military

The planning committees for the Benton Community Center have left no stone unturned to fund this important building project. We're excited to have surpassed the \$1.5 million fundraising mark and have some additional important funding projects in the pipeline.

Our new facility will house the Benton Public Library; Swindlers Ridge Museum and archival storage for Benton's Alumni Association; the Mike Alexander *Salute to Veterans* exhibit; and Benton Community Center/ Technology Services.

The facility will carry Benton's masthead; however, our neighboring communities, friends, and organizations will be able to take advantage of the building's valuable resources, educational and event programming, and patron services.

We are currently marketing our **Personalized Paver Campaign** and would like to call upon Veterans and their families to commemorate members of our military and Veterans of Foreign Wars. Please join us to thank them for their service.

(Pavers can also **RECOGNIZE, HONOR, OR MEMORIALIZE . . .**

- *a family member or special friend*
- *your business (past or present)*
- *your church or pastoral leader*
- *schools, including home school families*
- *groups and organizations*
- *a family pet*
- *that special teacher, coach, classmate, or someone else who has had an impact on your life.)*

Pavers are available in 8x8 or 4x8 sizes. The order form and additional details are available below, online at bentonwi.us, or by contacting Co-chair Michelle Savatski / 608.778.5794 or savatskimv@gmail.com.

PERSONALIZED PAVERS

Preserve History

While our Paver Sales Campaign is an important fund-raising opportunity, it's much more than that. Pavers that will surround the Benton Community Center will last indefinitely and be a record of the area's histories—histories that are important to preserve.

The following pages list paver orders to date, including the wording selected when ordered. (Paver images at the right are visual samples of orders and are not intended to be exact replicas.)

Orders for pavers will continue until such time the Committee determines it has filled all the available outdoor paver display spaces.

**ENSURE YOUR PLACE IN
HISTORY BY ORDERING
YOUR PAVER SOON.**
