

100 EXTRAORDINARY WOMEN™

Meet our 100+ EXTRAORDINARY WOMEN who have each made a \$1000 gift to Benton's Community Center building project. The Extraordinary Women™ Campaign is a trademarked initiative to offer charitable women the opportunity to support funding for important projects—projects that can help move communities forward.

We invite other women to join the gifting and be permanently recognized on our new building's Extraordinary Women wall.

(The Extraordinary Woman below is Benton's first woman doctor, Dr. Xenna Bent. The community center's museum will feature an exhibit dedicated to the work of Dr. Bent.)
